EDUCATION

CORNELL UNIVERSITY

Bachelor of Architecture

Cumulative GPA: 4.14/4.3

Ithaca, NY

Expected May 2028

Relevant Coursework:

Environmental Systems, Building Technology, Structural Systems, Architectural Theory, Integrated Design Studios

TECHNICAL SKILLS

Software: Revit, Rhino, Grasshopper, AutoCAD, SketchUp, V-Ray, Enscape, Lumion, Twinmotion, Photoshop, Illustrator, InDesign, Lightroom, ClimateStudio, HTFlux

Digital Fabrication: Laser Cutting, 3D Printing, CNC Milling, BIM Modeling

Analog Fabrication: Carpentry, Metalwork, Soldering, Casting, Textile Work, Precision Physical Modeling

PROFESSIONAL EXPERIENCE

Mithun, Inc.

Architectural Intern

Seattle, WA

Jun 2026 – Present

- Producing renderings, design documents, physical models and competition booklets for multiple large scale projects including NC State Cates West Development, Woodland Park Zoo, Seattle Design Festival, and the Legacy Square World Cup stage in Renton, WA.

BRIC Architecture, Inc.

Architectural Intern

Portland, OR

Jun 2025 – Aug 2025

- Supported schematic and design development for the Banks High School rebuild, producing community-facing graphics that translated environmental performance and identity goals into accessible design narratives
- Conducted daylighting, thermal comfort, and glare analyses to inform skylight and window placement decisions
- Led outreach for the Pathways Storytelling Initiative, coordinating interviews and engagement efforts connecting students with architecture and construction professionals

ACADEMIC EXPERIENCE

Cornell University Sustainable Design (CUSD)

Executive Board / Sustainable Education Project Team Lead

Ithaca, NY

Sep 2023 - Present

- Leading architectural design for two K–8 schools and a teacher's institute in Nepal, addressing landslides, flooding, and material access in collaboration with *United World Schools* under the [*UN General Assembly 2025–30 Program \(SDG-4\)*](#)
- Developed integrated drainage systems meeting Nepalese codes and traditional Newari practices, reducing cost and transport-related embodied carbon
- Produced design documents, renderings, material studies, and environmental analysis charts prioritizing cultural continuity and climate resilience

Cornell AAP Student Ambassador

Coordinated peer mentorship for incoming AAP students, supporting academic onboarding, studio workflows, and navigation of program resources through structured check-ins and guidance throughout the academic year.

Ithaca, NY

Thesis Research Assistant

Research Assistant for Abhitha Batikeri

Ithaca, NY

Apr 2025 - May 2025

Design research for modular market stalls supporting craftswomen in India, focused on material systems, fabrication logic, and informal economies.

Research Assistant for Njillan Sarre

Nov 2023 – Dec 2023

Researching civic reuse of the Seattle waterfront, analyzing industrial zoning, public access, and adaptive reuse strategies through urban-scale drawings & models. Awarded Helen Fagan Tyler Graduate Fellowship.

HONORS AND AWARDS

- Addison G. Crowley, B.L.Arch. '38 Prize, Cornell University College of Architecture, Art, and Planning — 2026
Awarded annually by faculty for best presentation of any junior design in Architecture, Landscape Architecture, or Planning.
- Enfield Food Pantry Produce Stand, Honorable Mention | *Internal Competition within Cornell Architecture*
- Wood Street Pool Project nominated by faculty for *AIA COTE Top Ten for Students* consideration
